"KIDS COLA"

Gummy candies of 3 g. / Coke aroma and flavor

Nutritional supplement of Vitamins A, C, E, D, H, B3, B6, B12 and folic acid useful in case of reduced dietary intake. Vitamin A plays an important role in vision and bone growth and helps protect the body from infections. Vitamin D is important for maintenance of healthy bones. Biotin (vitamin H) is important for cell growth, the production of fatty acids, and the metabolism of fats and amino acids. Vitamin C and E are important antioxidants for the immune system that favor the elimination of free radicals. Vitamin B3 maintains a healthy nervous system, necessary for the body to convert carbohydrates and fats into energy. Vitamin B6 is essential for the healthy functioning of the nervous system. Vitamin B12 is necessary for brain and nervous system function, red blood cell formation and energy production. Folic acid is a B vitamin that is important for cell growth and metabolism.

NUTRITIONAL SUBSTANCES WITH PHYSIOLOGICAL VALUE		
SUBSTANCES	Per serving (2 candies)	*DRV%
VITAMIN C	40 mg	50%
VITAMIN B3	8 mg	50%
VITAMIN E	6 mg	50%
VITAMIN B6	0,7 mg	50%
VITAMIN A	400 mcg	50%
FOLIC ACID	100 mcg	50%
VITAMIN H	25 mcg	50%
VITAMIN D	2,5 mcg	50%
VITAMIN B12	1,25 mcg	50%

WITH FRUIT JUICE

"BEAUTY & HEALTH"

Gummy candies of 3.5 g / Raspberry and Blackberry flavor

Dietary supplement with Vitamins A, C and E, Collagen and Coenzyme Q10 for maintaining good skin. Vitamins C and E help to protect cells from oxidative stress. Vitamin C improves the absorption of calcium and is necessary for collagen formation and tissue repair. Vitamin A is necessary for the maintenance and repair of vital skin tissue. Coenzyme Q10 is considered as an anti-aging supplement that helps provide energy to cells, and shown to act as an antioxidant. Collagen consumption can increase skin elasticity and moisture that declines during the aging process. It delays the cell aging and is essential for normal viability of muscle cells especially heart cells.

NUTRITIONAL SUBSTANCES WITH PHYSIOLOGICAL VALUE		
SUBSTANCES	Per serving (2 candies)	%DRV%
COLLAGEN	210 mg	---
VITAMIN C	24 mg	30%
